

Membership Application Form

2005/2006

French New Zealand Business Council

The **French New Zealand Business Council** was incorporated in 1985. Our **IRON** missions are:

Inform

☞ We provide **Information** to our members on trade, investment and business opportunities. To that extent, breakfast meetings, seminars and sponsorship opportunities are presented to our members.

Represent

☞ We **Represent** our members in their business endeavours through our relationship with UCCIFE, the French Embassy and Consular Office, other Business Councils and members from a broad range of industries: consumer goods, chemical industry, culture and arts, electricity and communications, environment, food and wine, freight and transport, furniture, imports and exports, hospitality and tourism, household goods, legal services, car dealers, services.

Organize

☞ We **Organize** events throughout the year. Some events have a cultural or traditional "touch" such as the Bastille Day function and the Beaujolais Nouveau.

Network

☞ We **promote** the voluntary association of business people concerned with trade between New Zealand and France or with the French Territories of the Pacific. Members' evenings are organized every 2 months.

Our professionalism and credibility are enhanced through our affiliation to the Union of the French Chambers of Commerce.

We are their formal representative in New Zealand and it is reflected by our Website www.fnzbc.org.nz.
